A 24-year-old young man, looking through the bus window, shouted, “Dad, look, the trees are coming towards us!”
The father looked up at him and smiled.
A young couple sitting nearby laughed at the young man’s childish behaviour.
The young man said once more, “Look, Dad, the clouds are following us!”
The couple could not resist and said to the young man’s father, “Why don’t you take your son to a good doctor?”
The man smiled and replied, “We have just been there, we have just left the hospital. My son was blind from birth and today for the first time he can see.”

Every person on the planet has a story. Do not judge it until you know it. The truths will amaze you.
