

Salesian Holiness

Salesian Holiness

The Salesian charism has been confirmed by God with the holiness of Don Bosco and a whole host of people who have followed him with an integral heart, men and women, boys and girls, consecrated and lay people from many countries around the world. Some of them have been recognised as such by the Church, others are in the process of being recognised, as many causes of beatification and canonisation are underway. To learn more about the lives and works of these servants of God, we present a collection of links presented in different ways according to their authors' approach.
