Pray

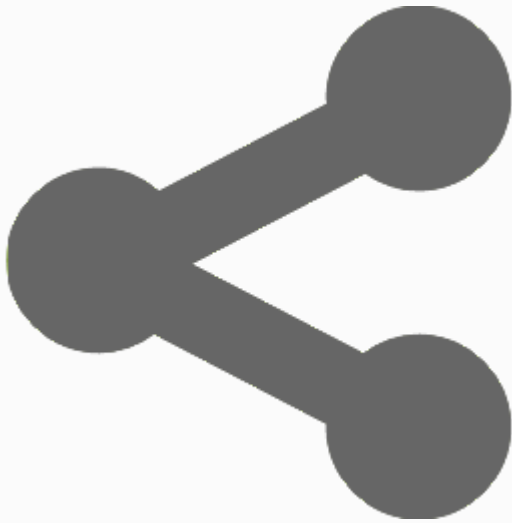

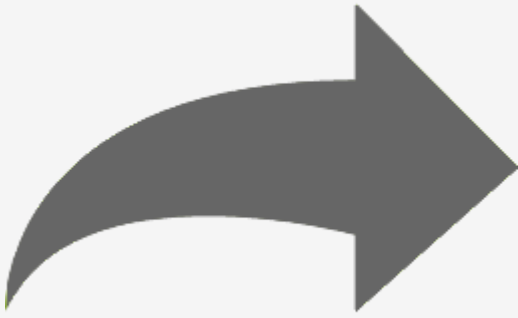

You can collaborate first of all with prayer.

Yes, with prayer. Pray that the Lord may make hearts sensitive to and available for the healthy education of children and young people. They are the future of humanity. They are the future of humanity.

Leave a legacy

Do you want to leave a lasting sign of your generosity? Establish a legacy on behalf of someone or name someone as your heir. We suggest a few formulas.

If it is a legacy: “I bequeath by way of legacy the sum of euros... or securities... or the building located in... to the Salesian Institute for the Missions, with headquarters in Turin, via Maria Ausiliatrice 32, CF 00155220494. for the Institution’s institutional purposes’.

If it is a question of naming someone as heir: “I hereby revoke all previous will and testaments. I nominate as my universal heir the Salesian Institute for the Missions with headquarters in Turin, via Maria Ausiliatrice 32, CF 00155220494, leaving to it all that belongs to me in any capacity, for the institutional purposes of the Organisation”.

(Place and date) (Signature in full and legible)

NB. The will must be written in full in the testator’s own hand.
